World Youth Day – Seoul 2027

Main Events August 3 – August 8

Pope Francis chose John 16.33 as a theme for World Youth Day Seoul 2027

This verse, spoken by Jesus to his disciples at the Last Supper, reminds us of the irrevocable truth that despite the challenges of the world, Christ has already conquered fear, sin and death. It is a call to hope and courage rooted in faith in the resurrection – not a passive optimism, but a bold confidence grounded in the living presence of Christ. Young people across the globe today are confronted with a wide range of challenges, including conflicts, economic hardship, and an uncertain future.

Thankfully, at WYD Seoul 2027, they can receive the joy of becoming the "salt of the earth and the light of the world". Through their encounters with one another they will experience unconditional love, thereby gaining the strength to be sent back out into the world as "pilgrims of hope" and "courageous missionaries", boldly putting into practice the joy of the Gospel they have discovered.

St Killians Candles

We are currently trialling a new votive candle system in the church.

To use it, take a candle from beneath the stand, place it in the holder and light the candle. The candles are self-extinguishing and smokeless. Please do not place another candle on top of one that is not empty.

We will look at what size stand to order once the trial period is finished.

Every Friday

7.00pm in the

Rose Room

All are welcome.
