Caritas Australia The Current situation in Nepal

The full scale of the disaster is continuing to emerge. Hundreds of people have been killed and thousands are missing. Entire communities have been destroyed, roads and bridges have been washed away, and thousands of families have been displaced.

The disaster was triggered by a massive flood surge through the Bhote Koshi River on 26 August, devastating communities across Rasuwa, Nuwakot, Dhading and other downstream districts. Rescue operations remain underway, but damaged infrastructure and ongoing flood risks continue to limit access to many affected communities. The humanitarian needs remain immense. Families urgently require food, clean water, shelter, health care and essential household items. Schools and health facilities have also been damaged, and humanitarian assessments indicate that thousands of children need support. To donate to the Caritas Australia Nepal Floods Appeal, visit www.caritas.org.au/nepal, call 1800 024 413, or use the QR code below.

Mass with the Anointing of the Sick Friday 9th October

The Anointing of the Sick is a beautiful Sacrament through which Christ offers His healing grace, strength and peace to those experiencing serious illness, advanced age or preparing for major surgery. It is a moment of deep comfort and spiritual renewal, reminding us that we are never alone in our suffering.
